Englewood, NJ – [Denny's Franchise Association](#), announces its newest allied partner MyHealthily to provide access to healthcare coverage options for franchisees, their employees, and their families. This additional partnership will enable members to save year after year on healthcare costs, as well as provide better healthcare coverage.

"Denny's Franchise Association continues to look for way to assist our members," notes Barbara Magro, Executive Director, "healthcare has been in the forefront these past few years and we want our members to know we understand their needs as growing businesses."

[Denny's Healthcare](#), the marketplace launched by MyHealthily, is able to offer benefits to all Denny's Franchise Association members, along with flexibility in plan design and provider. Bundled with the coverage, at no additional cost and no co-pay, is Prosper Benefits, a non-insurance group of benefits including a consultative suite, personal suite, medical suite, compliance suite and a prescription saving app. These benefits enable members to take control of their healthcare costs.

MyHealthily helps business owners to solve major pain points by providing them with streamlined enrollment, wow customer service, and choice & value with affordable healthcare coverage. They launched [Denny's Healthcare](#) to help Denny's Franchise Association members enroll in complete healthcare coverage solutions in a simple and effective way.

Michael Malhame, President of MyHealthily added, "I am confident that offering the ability to access healthcare coverage via [Denny's Healthcare](#) will enable MyHealthily to provide unprecedented service levels." Malhame continued, "Since the signing of the ACA, group health insurance plans have increased at over three times the rate of general inflation. Ninety-seven percent of Americans do not know what their insurance covers, and the process of shopping for and enrolling in coverage remains a significant burden to employers and employees. Denny's Franchise Association and MyHealthily have made significant movement to help resolve the situation."
