## Agents Save Days of Work with MyHealthily Platform

*MyHealthily's platform reduces sales and service workload by 70% for small group benefits.*

[ENGLEWOOD, NJ, January 10, 2022] — MyHealthily Insurance Solutions announces the launch of a proprietary platform for agents and brokers to quote, enroll and service small group benefits. This complete sales system provides agency differentiation through plan options and streamlined software which creates and enhances Agency profitability.

The technology created by MyHealthily enables agents to offer health insurance and ancillary products for businesses with 1-100+ employees. An agent utilizing this platform can reduce their time spent on quoting and enrollment to one, 45-minute call. And 100% of retail commissions for plans sold on the platform are retained by the agent.

*"Small group healthcare coverage has been complicated and cumbersome, we are changing that! MyHealthily allows agents to better serve their clients in less time while being profitable."* Michael Malhame, CEO of MyHealthily

###

For brokers and agents who seek to provide small group benefits, **MyHealthily Insurance Solutions, LLC**, is the customer-centric, Association-approved platform. Our proprietary platform provides agencies differentiation through plan options, streamlined software and profitability. Currently partnered with 30+ associations across the United States, MyHealthily is solving the biggest pain points for small businesses and the agents that serve them.
